

Biobank Graz: How can we support you?

I would like to start a **new prospective sample collection**.

The Biobank Graz team is looking forward to advise you concerning the collection of a new sample cohort.

Contact us:

 +43-316-385-72716

 biobank-pm@medunigraz.at

You would like to get advanced information?

See the **links** below for more details:

[Setting up a new sample collection](#)

[Fact Sheet](#)

[Procedure liquid samples](#)

[Collection of Informed Consents](#)

I would like to access **samples** from Biobank Graz.

Sample access for a project **with ethics vote**.

1. PROJECT APPLICATION + ETHICS VOTE

Send us the filled project application and ethics vote by email.

See [link](#) Project application FB311

2. APPROVAL

We will forward your project for approval to the persons in charge of the respective sample collection.

3. PROVISION OF SAMPLES

As soon as the project is approved the samples can be provided.
